REQUEST FOR CORRECTION OF SERIAL NUMBER

Hon. Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Attn.: Application Processing Division
Customer Correction Branch

Sir:

We are in receipt of an Official Filing Receipt and a Notice to File Missing Parts of Provisional Application Filed Under 37 CFR 1.53(b)(2) for provisional application Serial No. 60/048,596, filed June 4, 1997. Copies of the filing receipt and of the Notice to File Missing Parts are enclosed.

The application filed on June 4, 1997, under Darby File No. 7755/OD276, in the name of Fiona Miller, entitled AEROSOL FORMULATIONS, and claiming priority of British application Serial No. GB 9616237.5 of August 1, 1996, is not a provisional application.

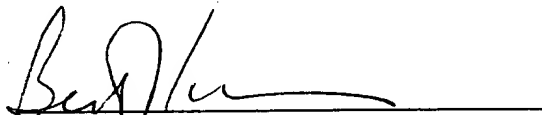

On October 10, 1997, Miss Eileen C. McLoughlin of our offices spoke with Miss Green of the USPTO Customer Service Center, Initial Patent Examination Division (telephone: (703) 308-1202). Miss Green was informed that the application filed on June 4, 1997, was classified incorrectly as a provisional application. Miss Green said that the correction would be made and that a new filing receipt and a new Notice to File Missing Parts would be issued.

As of this date, we have not received a new filing receipt or a new Notice to File Missing Parts for the non-provisional application.

It is respectfully requested that the application filed on June 4, 1997, in the name of Fiona Miller, entitled AEROSOL FORMULATIONS, and claiming priority of British application Serial No. GB 9616237.5 of August 1, 1996, be assigned a non-provisional application serial number and that a new Notice to File Missing Parts be issued by the U.S. Patent and Trademark Office.

Respectfully submitted,

Dated: November 18, 1997
